NWPVA OFFICER BIOGRAPHY

Thomas Bungert

President

During the last 16 years I have served NWPVA in a variety of positions and on a number of committees. It is truly been a pleasure to volunteer for such a wonderful organization throughout the years. My goal is to contribute, to the best of my ability to the Northwest Chapter. I am currently in the process of earning a college degree, and NWPVA has taught me that it is possible to achieve any goal we set for ourselves.
